2. Applicant Identity Verification

Under these regulations there is a legal requirement to prove the identity of people who wish to make an investment. You may therefore be asked for some evidence of your identity and date of birth. This will normally be a passport or similar form of identity check together with proof of address from a recent utility bill (not a mobile telephone bill). Alternatively, electronic checking systems may be used to verify identity, including credit agencies which may keep a record of this information although this is only to verify your identity and will not affect your credit rating. The information you provide on your application form (or subsequently) will be held and processed by Premier Portfolio Managers Limited (a subsidiary of Premier Asset Management Limited) as data controller for the purposes of the Data Protection Act 1998.
